

Ted Scott's daring long distance-flight

Ted Scott is a young man who seems born to be an aviator. He comes from an humble background, fostered by an elderly couple who know little about flying and who are fearful for their boy. Ted Scott overcomes any obstacle in his way, learns to fly, and gains fame for his skillful aerial stunts. His next goal is to fly solo across the Atlantic Ocean and be the first to fly non-stop from New York to Paris. (Summary by KevinS)
